BAMBOO™ Fineline

Natural writing and making ideas on iPad and iPhone

Bamboo Fineline is a smart stylus with pressure sensitivity designed for natural writing on iOS touch devices. It's perfect for authentic writing, note taking and capturing ideas on your iOS touch device. Bamboo Fineline also works with older iPad generations featuring Bluetooth® and iPhone 6 and above.

Comfortable, customizable, and compatible

Experience extraordinary ergonomics: Bamboo Fineline's triangular design and soft-touch surface provide a natural, balanced in-hand feel. Protect the tip with a twist when not in use, save time with the customizable shortcut button and conveniently charge the battery via USB. Bamboo Fineline has been fully integrated into leading apps like Goodnotes, Noteshelf and Bamboo Paper. The long lasting battery is rechargeable and offers hours of use while the stylus goes into sleep mode when not used.
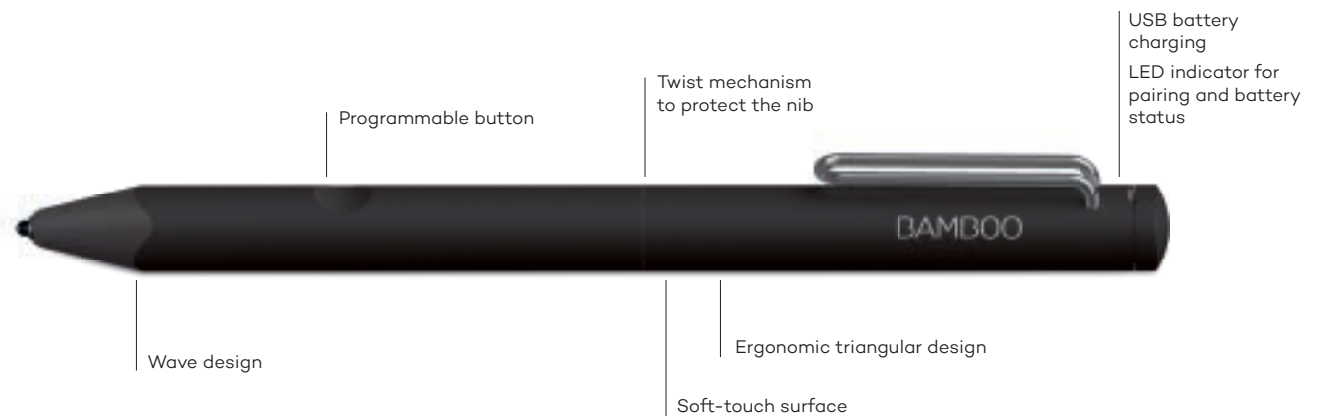

Store, shape and share your ideas

With the free Bamboo Paper app you can easily write, note or sketch ideas. The Inkspace service easily lets you store, shape and share your notes. And there are many more tools to explore in the Wacom Marketplace.

Feature Overview

- Natural writing with pressure sensing and comfortable triangular design
- Smart features when paired with leading notetaking apps
- Time-saving customizable shortcut button
- Retractable tip
