

# INTUOS®

## Achieving Your Creative Dream. You're Only an Intuos Away.

Unleash your creativity with Intuos. Whether your dream is starting your portfolio, racking up some 'Likes', or pushing the limits of creativity, Intuos has everything you need to make it happen.

### Everything You Need In One Creative Box

Whatever your artistic ambitions, Intuos can take you there. Each Wacom quality pen tablet comes with a creative package that includes downloadable creative software, services, and online tutorials too.

Intuos is easy to set up. Plug a single USB into your Mac or PC. Install the driver, then register and download your creative software. And you're ready to start creating.

### Create Something Amazing

Intuos is a beautifully designed, easy to use pen tablet. Draw, sketch, paint, sculpt, and edit with natural feel and movement. The pressure sensitive pen, responsive tablet, intuitive Multi-Touch\* gestures, and customizable ExpressKeys™ put a whole new digital toolbox at your fingertips.
