

Wacom®

MobileStudio Pro

Create without boundaries

Push the boundaries of creativity with the new Wacom MobileStudio Pro. Our most advanced, powerful, compact and intuitive mobile workspace yet. With a complete studio of creative tools, exceptional graphics and long battery life, nothing will stand in the way of your creativity.

Wacom MobileStudio Pro 15.6" and 13.3"
Featured artists: Future Deluxe & Santtu Mustonen

Live. Dare. Create.

Designed for the way you create

By far our most advanced mobile model, Wacom MobileStudio Pro lets you see your artwork in detail with up to 4K resolution and 85% Adobe RGB coverage (CIE1931) and helps you speed up your workflow with time saving productivity features like customizable ExpressKeys™, Radial Menus and multi-touch.

Wacom Pro Pen 2 offers an advanced pen performance with an instinctive pen-on-paper feel thanks to the etched glass surface that creates that nice natural friction. With 8192 levels of pressure sensitivity, tilt response and virtually lag-free tracking, the pen delivers precision and control. Ergonomically designed, its balance, grip and side buttons allow you to reach the highest levels of quality in comfort.

Equipped with Intel® chips, powerful memory and storage configurations, plus high-performance graphics options including NVIDIA® Quadro® graphics*, Wacom MobileStudio Pro is ready for the high demands of creative 2D, 3D and CAD applications.

Wacom MobileStudio Pro is the all-in-1 creative studio that allows you to create and showcase your best work wherever you are.

The mobile studio that's right for you

Sketch, draw, edit and create your way with Wacom MobileStudio Pro. Thanks to a large mobile creative workspace, Wacom MobileStudio Pro 15.6" delivers a 4K resolution display and features NVIDIA® Quadro® graphics performance for illustration, animation, video, CAD and large file size photography. The smaller MobileStudio Pro 13.3" model is perfect for capturing concepts,

sketches, paintings, illustration and graphic design. Wacom MobileStudio Pro gives you complete creative independence.

- Pen-on-paper feel thanks to a natural friction on the etched glass surface.
- Fast data processing and quick data transfer thanks to professional computing power, powered by i7 Intel® chips, 16 GB system memory, 512 GB SSD, and Thunderbolt connectivity.
- See your artwork in amazing detail and clarity with a high-resolution display up to 4K (3840 x 2160) and superior color quality with up to 85% Adobe RGB coverage (CIE1931).
- Enjoy high performance 2D, 3D, video and CAD applications with high-performance graphics options including NVIDIA® Quadro® graphics*.
- Speed up your workflow with customizable ExpressKeys, Radial Menus and multi-touch.
- Convenient features that aid independence. Wacom Link™ Plus adaptor** to attach to any Mac or PC as a standard Cintiq display. Wacom Stand** with three working angles. Plus, the 'Backdoor' feature makes it easy for you to replace or upgrade the SSD and DDR Memory. Wireless Keyboard** for additional shortcut keys and everyday office work.
- Fingerprint technology. Unlock your machine using just your touch.
