

BAMBOO™

Sketch

Bamboo Sketch – Natural sketching on iPad or iPhone

Bamboo Sketch is a fine tip stylus for sketching and making ideas on both an iPad and iPhone. Its fine, pressure sensitive tip is specifically tuned for a natural, precise and authentic pen experience on iOS devices. Bamboo Sketch also works with previous iPad generations featuring Bluetooth® and iPhone 6 and above.

Experience extraordinary ergonomics and convenience

The new ergonomic triangular design provides a well-balanced, natural in-hand feel. Personalize Bamboo Sketch with two customizable shortcut buttons and exchangeable pen tips both soft and firm. Additional features include charging via USB and a convenient stylish case for storing the pen, extra nibs, and the USB charger.

Store, shape and share your ideas

Bamboo Sketch is fully integrated with leading creative apps for drawing and sketching, including Bamboo Paper, allowing instant in-app pairing for immediate performance. The Inkspace cloud service enables you to store, shape and share your work.
