

I always try to walk new paths.  
For me, being creative means

Michaela Maginot | Graphic Designer

EXTEND YOUR SENSES –  
DIVE INTO YOUR DIGITAL IMAGE WITH THE CINTIQ 22HD TOUCH.

Take your pioneering creativity to the limit: With its 21.5" full HD display, 1980 x 1080 pixel resolution and 16.7 million colors, the Cintiq 22HD touch offers many innovative features to support you in your work. In fact, it will feel like nothing less than a truly natural extension of your senses, offering a seamless on-screen creative experience: it is the combination of its full range of features that lets you dive into your digital image and understand the Cintiq 22HD fascination.

A HANDS-ON CREATIVE EXPERIENCE

Enjoy the precise, intuitive control of on-screen creation with Wacom's pressure-sensitive pen while using multi-touch gestures to position and navigate your work.

CREATE IN COMFORT

The ergonomic stand offers both landscape and portrait viewing angles and easily adjusts to your preferred working position so you can work in complete comfort.

MAXIMIZE YOUR PRODUCTIVITY

Work with speed and ease thanks to customizable ExpressKeys, Touch Strips, and multi-touch gestures that put your favorite shortcuts at your fingertips.

But there's still more! The Cintiq 22HD touch package is compatible with both Mac and PC, works seamlessly with your computer's configurations, and is easy to accessorize with an array of compatible pens, grips and pen tips.

PIONEERS OF NOW
